Bernie,

Admiral Stansfield Turner

Dear Admiral Turner:

It is my understanding that Captain Bernard McMahon is returning to the Navy and will no longer serve as your staff aide. I want you to know how much the Committee and the staff appreciate and value the work that he has done for the intelligence community and the Committee. I want to commend Captain McMahon for his distinguished performance and I know that all the members of the Committee and staff join me in this commendation for his service to our respective institutions and to the country.

We all regret his leaving but know that he will serve the Navy with the same ability and distinction that he has shown over the past years and months.

Sincerely,

Birch Bayh
